

STANDING RULES

Antelope Hills Golfing Gals (AHGG) League Updated September 23, 2026

A. General Information

1. Annual dues will be \$90 (\$40 AHGG Dues, \$50 AGA/handicap mandatory dues), if paid during the early registration period October 1 – December 31. Northern Arizona Women's Golf Association (NAWGA) membership is an optional fee of \$10. Dues will not be prorated during the year.
2. If a member belongs to a club elsewhere, you will receive a multi-member rebate from the Arizona Golf Association (AGA) when joining.
3. Members must sign up by 10 p.m. Saturday prior to Tuesday play that week. Notify the Play Day Chair (person handling Golf Genius games) if you cannot play by Monday and have signed up. Otherwise, call the monthly Sweeps/Starter Volunteers on their cell phones that morning if something comes up for the day.
4. If a member signs up late after the tee sheet has been issued on Sunday, they will not be included in the game of the day.
5. Guests of members may play three times without paying dues on an annual basis. Non-members are ineligible for all prizes.
6. Handicaps on Sunday prior to play will be used.
7. Regulation play is in effect unless otherwise posted. The Executive Board will define how "preferred lies" will be used.
8. Local Rules are posted on the AHGG website and provided to members.

B. Paid Prizes/Play of the Day

1. Regular Play Day prizes will be paid by the League to the winners on a monthly basis. The USGA scorecard playoff (last 9,6,3,1) holes may be used to break ties. The designated person to post scores will maintain the records which will be provided to the Treasurer. The Treasurer will maintain a copy of the records provided. Payouts will be determined during the annual budget process.
2. A minimum of six players must be playing for a game to be eligible for club paid prizes.
3. Chip-Ins will be held weekly via a \$1 optional buy-in. Only recognized Chip-Ins will qualify if marked on the official score card. Birdies are to be marked on the official scorecards as well.
4. A Hole-in-One fund with an optional buy-in of \$3 will be maintained. Payouts will be made the following week after the Hole-in-One. At that time, another Hole-in-One fund will be created with an optional \$3 buy-in. Hole-in-One is to be marked on the official scorecard.
5. Xing out a hole disqualifies a player for payment of a prize unless that hole is not included in the Game of the Day. The score recorded will be determined by United States Golf Association-Golf Handicap Information Network (USGA-GHIN).

6. If a player reaches net double bogey (double bogey plus her handicap strokes) on a hole that is not included in the format of the game of the day, she may pick up on that hole and X out. Scores will be posted for you hole-by-hole for if playing only 9-holes.
7. Any scoring rules and disputes must be brought to the Rules Chair immediately following the round in which the dispute arises. If the Rules Chair is not available, contact the Weekly/Sweeps Play Day Chair. Do not sign and attest to your score on the scorecard if there is a dispute (sign after the issue has been resolved). The Rules Chair will make the ruling and the dispute will be reported to the person posting the scores. If there is rule in question, you can opt to play two balls for that hole keeping track of the ball played where the rule is disputed and the score for the second ball.
8. If a Weekly/Sweeps game is cancelled, the game of the day is cancelled.
9. All handicaps will be capped at 40.
10. A member must play a minimum of eight rounds in the year to be eligible to play in a Tournament.
11. A member must play 10 times with the Club from January 1 to November 30th to win Most Improved Player. This allows time for engraving of the plaque which is presented at the annual Awards luncheon typically held the first or second week in December.
12. To qualify for Club Champion participation, members must have played at least 10 rounds with the AHGG in the calendar year. If you are a new member who joined later in the calendar year, you must have played five (5) rounds with the AHGG to qualify for participation in the Club Champion tournament.
13. Handicaps are computed by the USGA. A player's half-handicap or handicap strokes (POPS) will be used on Play Days unless a Gross only game. This will be fairer and more equitable for all members.
14. Two score cards must be kept on Play Days. The main score card and one as a back-up. The main card must be approved, dated, and signed, by all players.
15. Scores are posted for all members regardless if they play 9 or 18-holes.
16. Scoring – In compliance with the World Handicap System (WHS) changes for 2024: If you play less than 9-holes, your score **will not** be posted. If you play 9-holes, your 9-hole score will be posted for you. It will be combined with the WHS's expected score differential over 9-holes to create an 18-hole score differential for immediate use, with expected scores based on the player's handicap index at the time the round is played. You no longer need to wait to play another 9-holes to get an 18-hole score. Also, you no longer need to play 14-holes to be able to post an 18-hole score. With the 2024 revision, if you play 10-17 holes (under 18-holes), you will post the holes you played, hole-by-hole, and an 18-hole score differential will be determined by adding the player's score differential from the holes played to an expected score differential for the number of holes not played. If you do not complete 9-holes on the front or back, (e.g., you play 8-holes or less on the front or only played 8-holes or less on the back), the new handicapping rules state you **cannot** post a score.
