Hello Ladies,

Please find the attached Word Documents with the 2026 Interclub Schedule and 2026 Interclub Guidelines. The first event is just around the corner! Get out your calendars and see which events may interest you.

You will be notified by email about each individual event. All you have to do is sign-up via the Golf Genius link provided in the email you receive for that event. Then, put your check in the AHWGA Drawer by the deadline specified and you will be added to the Roster or be advised that you have been waitlisted.

As you know, some Clubs limit the number of Club Members able to participate. In an effort to maintain fair access to all our members, those ladies that have placed a check or cash in a marked envelope will be given first priority on the Waitlist this year. As a reminder, we will again be using the Time Stamp on your sign-up in Golf Genius to further prioritize the Waitlist.

Should you have any questions or suggestions for improvement, we are happy to hear from you. Let's get out there and have some fun.

AHWGA Interclub Representative
